

Home Learning 6.7.20

For topic/science and art ideas see home learning packs and class pages

Phonics: For phonic practise please use the following websites and choose the games that you would like to play:

<https://new.phonicsplay.co.uk/resources/phase/3> or <https://www.ictgames.com/mobilePage/literacy.html>

Please also continue to practise your spellings on spelling shed.

Literacy

Maths

Monday

Today you have a wizard writing task to have a go at.

You can find a writing template in your home packs if you'd like to use it ☺

Wizard Writing task week 6

The pirates have lost their treasure.

There is a map below showing where the treasure is hidden.

Can you write a set of instructions/directions so that the pirates can find their treasure again?

Warming up

Can you count in tens up to 100 and back down to zero again?

Please go to the following link and click on the home learning for week commencing 5.7.20.

<https://whiterosemaths.com/homelearning/early-years/>

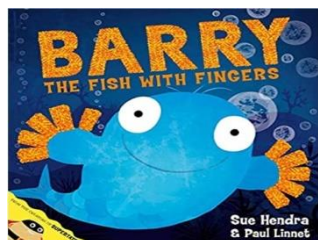

Look at **Day 1** maths activities in your resources attached on your class page and on the VLE

All activities are linked to the story 'The Dinosaur that pooped a planet'.

Please follow the link bellow to listen to the story

<https://www.youtube.com/watch?v=dzOjs4irfAw>

Tuesday

This week's literacy is based around the book 'Barry the Fish with Fingers'. Please follow the link below to access the story and hear it being read aloud.

<https://www.youtube.com/watch?v=Jn1FBkrHNKg>

Barry the fish with fingers has many skills that he shares in the story.

Task

Can you make a list of all the amazing things he can do?

Wednesday

Barry and his friends decide to have a party to celebrate the fact that Puffy was safe.

Task

Can you write an invitation for Barry's party that he can give to the other sea creatures?

Warming up

How far can you count in twos and fives?

Please go to the following link and click on the home learning for week commencing 5.7.20.

<https://whiterosemaths.com/homelearning/early-years/>

Look at **Day 2** maths activities in your resources attached on your class page and on the VLE

Warming up

Practise counting up to 100, starting on different numbers.

Please go to the following link and click on the home learning for week commencing 5.7.20.

<https://whiterosemaths.com/homelearning/early-years/>

Continue to follow your learning for **Day 3**.

<p><u>Thursday</u> Can you write a guest list containing all of the sea creatures that Barry should invite to his party?</p>	<p><u>Warming up</u> Ask a grown up to say a number. Can you say the number that is 1 more and 1 less than quickly? <u>Please go to the following link and click on the home learning for week commencing 5.7.20.</u> https://whiterosemaths.com/homelearning/early-years/ Continue to follow your learning for day 4</p>
<p><u>Friday</u> What food could Barry and his friends have at their party? <u>Task</u> Can you come up with some fish friendly recipes for Barry to make for his guests?</p>	<p><u>Warming up</u> Play a game of number tennis, forwards and backwards. How far can you get up to? <u>Please go to the following link and click on the home learning for week commencing 5.7.20.</u> https://whiterosemaths.com/homelearning/early-years/ Continue to follow your learning for day 5</p>
