One more and one less

1 Draw a line to match one **more** number than the picture representation.

2 Draw a line to match one **less** number than the picture representation.

One more and one less

- 1 Complete to show one **more** and one **less**.

- 2 Complete to show one **more** and one **less**.

- 3 There is a mistake in the picture representation below.

Explain what the mistake is and how it can be corrected.

The one less and one more picture representations are the same.

The one more picture should be representing the number 13 not 11.

One more and one less

1 Complete to show one **more** and one **less**.

one less			one more
15	←		→ 17
13	←		→ 15

one less			one more
	←		
	←		

Children will create their own one more, one less picture representations.

One more and one less

1

My sister is 14.
Our brother is one year younger.
Our cousin is one year older than my brother.
I am one year older than our cousin.

How old is...

Beth? 15

Her brother? 13

Her cousin? 14

2

One **more** than twelve is
less than one **less** than 14.

True

☐

False

☒

Explain how you know.

One more than 12 = 13. One less than 14 = 13. They are both equal.

3 Mark the answers with a tick (✓) or cross (X) and correct any mistakes.

a One **more** than 17 is 18.

☒

b One **less** than twenty is eighteen.

☒

One less than twenty is **nineteen**

a One **less** than sixteen is fifteen.

☒

4 One **less** than 12 is one **more** than 10 which is one **more** than 9.

5 One **more** than 17 is one **less** than 19 which is one **less** than 20.
