

Year 3 Easter Activities

1. Decorate an egg.

2. Go on a sound hunt. Open a window or sit in your garden and listen to all of the noises you can hear outside. Or take a walk and stop regularly to listen to all the sounds you can hear. Write down or draw what you can hear. You could even turn this list into a sound poem.
3. Read a story in a den. First you will have to build a den in your house or garden! We would love to see pictures of you reading in your den. Your parent/carer can send these photos to us via the school Facebook page or on the VLE.
4. Try one of these 'egsperiments'.

5. Decorate a pebble. If you go for a walk, maybe you could hide it for someone else to find. It might brighten up their day.

*Happy
Easter
Day*
