School Newsletter

10th June 2022 Newsletter 1 Term 6

Dear Parents and Carers,

I hope that everyone had an enjoyable Jubilee break. I enjoyed my break after a very enjoyable residential with year six. It was certainly a lot of fun and I was so impressed with the behaviour and determination of the whole group. I am not one to send the children to bed early on what should be the most memorable week of their primary school education, so they slept very well and most had to be woken up each morning! I am already looking forward to taking our current year 5 children in September!

Please remember to sign up for the family breakfast. We thought it would be a nice thing to do just before Father's Day, an opportunity for all our male carers to come for breakfast with their families.

Many thanks to all of you who came to our family events this week. I hope that you will be able to join us next week for sports days. Let's hope the weather is kind!

We are very aware that the cost of living is going up every day so I am sorry to have to announce further increases to your monthly costs. Unfortunately, school is being hit hugely by the increases. Food and energy costs have rocketed - our energy costs in particular have seen ridiculous increases. This will mean that we will need to put up the cost of tuck and lunches in September. I will confirm the amount in the coming weeks.

This week the Director of Education, Rachel Morgan visited our school. She was very impressed by everything she saw. She spoke to many of the children, all of whom talked about their work with confidence. Behaviour, as always, was fantastic throughout the school. It is lovely to be part of a community of schools that share our ethos. Please visit the new Bath and Wells Multi Academy Trust website at <https://www.bwmat.org> to find out more about the family of schools we belong to.

Have a lovely weekend,

Best wishes,

Nicki

Attendance

Can we please remind you that each term attendance is evaluated meaning if your child's attendance is below 95% parents will receive a letter. If your child's attendance is below 90% you may be invited to a meeting in school where a plan will be created by us both working together to ensure there are improvements. This will also give you an opportunity to talk through any struggles you are having that maybe impacting their attendance.

Face masks

Face masks are not mandatory in school anymore but can be worn by choice.

Outside Achievement

Please let us know if your child has been awarded certificates/trophies and we can then present these in your child's key stage assembly.

Our Values

This week Dart class discussed kindness and compassion. In groups they talked about how we show compassion to everyone and linked the values to a Parable. The Good Samaritan shows kindness after two others left a poor man when he needed help, the children then wrote sentences and filled cups with kindness! Well done Year 2.

Sports Day

As you are aware we will be holding Sport Day next week Tue for KS1 and Wednesday KS2. Children need to come to school in their P.E. kit on the relevant day. You will also be aware the lunches will be different. Tuesday KS1 will have a packed lunch and KS2 will have a roast—this will swap around the following day. All meals need to be booked via ParentPay please. You are invited to come for a family picnic at 12:15 pm on the relevant day. Lets hope the sun shines so we can have a fabulous afternoon.
