

Avon Spirit of St Nicholas Award Term 1

The person who I have chosen for my Spirit of St Nicholas Award this term is someone who has had an outstanding start to their time in Year 3. I thought they were going to be a bit nervous and shy when they joined my class, but that hasn't been the case at all. Instead, they have put themselves at the centre of all lessons and learning and the progress they are making is excellent. They are performing brilliantly in all areas of the curriculum, with particular strengths in maths and reading. There is also a fine attention to detail in their artwork which I really like and it makes their illustrations in our topic work really fun to look at.

This person has demonstrated many of our values this term, such as Compassion, where he has comforted others who are upset; Endurance, where he has fought to get full marks on his times tables without giving up; and Trust, where he has come to speak to the adults in the class when something is worrying him. Although he is one of the quieter members of our class, the respect others have for him is clearly evident, in that he was voted in as one of our school council members. If he continues in this manner, he is going to have an extremely successful year and I look forward to seeing what he can achieve. I'm therefore pleased to give the Spirit of St Nicholas Award in Term 1 to...
