

Term 6 Week 2 Monday 8th June - Friday 12th June

Make sure that you are checking VLE to get resources and help with this work and to read messages from us.

Message us to let us know that you have completed the work, if you would like some help or have questions about what has been set.

Remember to have time to exercise, have some free time and some time to relax. Keep smiling!

	English and SPaG	Maths	Other activities (topic, science, PE, RE, art, DT)
Monday 8 th June	<u>Pages 46 and 47</u> Read the comprehension on page 46 (a poem called 'Bang! Whizz!') and answer the questions on page 47. <u>Pages 93 and 95</u> This week's spelling rule is words with silent letters. Look at your group's spelling list. Find out what each word means and write a definition. Ask an adult or send us a message if you are not sure.	<u>Page 7</u> Complete Year 5 Arithmetic Paper 6. Use maths graffiti and written methods to complete your calculations for each question.	<u>Pages 106 – Topic</u> Look at pictures of Uluru and create your own sketch of the famous place. Find out 5 interesting facts about Uluru. Can you discover the most interesting fact? Share them on VLE so we can all learn more about it! There will be a PowerPoint on the VLE and on the website to help you.
Tuesday 9 th June	<u>Page 48</u> Complete the activities on noun phrases. Here are links to help: <u>Pages 93 and 95</u> Write each of your spelling words in a sentence. Remember to make it a really interesting sentence with your best language choices.	<u>Page 8</u> Complete the activities on ordering and comparing decimals. Remember comparing just means more than less than or equal to. Can you remember what signs we use to show this?	<u>Page 100 – Science</u> Think about what happens to an object when we melt or freeze it. The kitchen is a great place to carry out some observations! Watch the video and complete the Venn diagram with your own ideas.
Wednesday 10 th June	<u>Page 49</u> Complete the activities on noun phrases. <u>Pages 84 and 85</u>	<u>Page 9</u> Complete the activities on understanding percentages.	Complete this week's art activities. Resources to help you can be found on the art page on the school website and will be

Term 6 Week 2 Monday 8th June - Friday 12th June

	<p>Wizard write – letter writing Imagine you have just travelled to a new country, somewhere in the world that you have never been before. You are going to write a letter home to your family or a friend telling them all about your trip so far. Use the success criteria and planning sheet to help you.</p> <p><u>Pages 93 and 95</u> Complete the word search on page 95.</p>	<p>Percentage just means parts of 100 so it is similar to fractions.</p>	<p>sent on the VLE.</p>
<p>Thursday 11th June</p>	<p><u>Page 50</u> Complete the activities on noun phrases.</p> <p><u>Pages 93 and 95</u> Practise your spellings using as many of the activities as you can. You can also practise on spelling shed.</p>	<p><u>Page 10</u> Complete the questions on percentages as fractions and decimals.</p> <p><u>Page 33</u> Compete the times tables test. Time yourself, giving yourself 10 minutes to complete the test.</p>	<p>Complete this week's RE activities.</p> <p>Look out for Mrs Mason's message with your task for this week.</p>
<p>Friday 12th June</p>	<p><u>Pages 51 and 52</u> Read through the newspaper article on page 51 and answer the questions on page 52.</p> <p><u>Pages 93 and 95</u> Practise your spellings using as many of the activities as you can. You can also practise on spelling shed.</p>	<p><u>Page 11</u> Answer the questions on equivalent fractions, decimals and percentages. Remember equivalent means they have the same value, that they are equal.</p>	<p><u>Page 106 – Topic</u> Find out about how the Great Barrier Reef has changed over time. You could use pictures to help you show the changes. Think about why these changes have happened? What impact do these changes have on the ocean and on the world? Look at the resources on the website and on VLE to help you.</p>
