29th April 2022 Newsletter 1 Term 5

Dear Parents/Carers,

I hope that everyone had a lovely Easter.

What a busy week it has been! It was certainly an exciting start to the week with our team of singers setting off to the O2. I hope everyone involved will agree that it was worth the early morning return for the excitement of an amazing concert. Over 8000 children performing to thousands of parents certainly gave me goosebumps. It was lovely that so many parents were able to join us. Thank you so much for all your kind words of thanks, we thoroughly enjoyed taking the children and as always St Nicks pupils showed exemplary behaviour. In the next couple of weeks I will be sending out a survey regarding taking part in Young Voices in the future.

Yesterday I was fortunate enough to go off to Carymoor with the reception children - they loved their day of bug hunting, pond digging and building dens. It is impossible not to get caught up in the excitement when you are out with the youngest children!

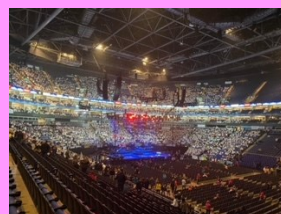

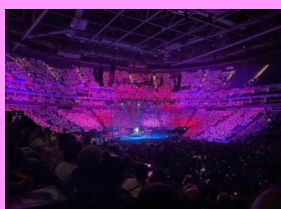

This week the NFER visited school and the Year 6 pupils had to do maths tests for the Government research into questions for future SATS. Schools are randomly chosen, and it is a statutory duty to take part. Unfortunately, neither the children nor us ever find out the results, which is very frustrating! Hopefully it was good practice for the real thing which start on the 9th May. The children showed an excellent attitude throughout the morning which involved three tests one after another.

Have a lovely long weekend.

best wishes,

Nick

Our Values

Our value for this week was Koinonia. The children in Cam Class talked about the places we have in our community and special places that we like to visit. The beach was the favourite and also soft play! We learnt that all communities have the same sort of places, shops, doctors, places of worship, cafes and parks. We looked at picture cards of different buildings and discussed why people go there and why they are so important meeting places for people in our community and surrounding areas. Some of the children said that school was their special place and that they liked to play with friends at lunchtime. Well done Cam Class.
