

St Nicholas CE Primary School Sports Premium Strategy Statement

1. Summary information					
School	St Nicholas CE Primary School				
Academic Year	2018-2019	Total PE budget	£18,000	Date of most recent Sports Review	Sept 2018
Total number of pupils	228	Number of pupils eligible for PP	48 (not inc YR)	Date for next internal review of this strategy	July 2019
Key achievements to date / Strategies that will be continuing: <ul style="list-style-type: none"> • Use of REAL PE scheme for at least 50% of timetabled lessons. • Attendance of Dance Umbrella for mass participation of quality sport event. • Early identification of children with talents in particular sports – assisting them and their parents in finding external sporting opportunities e.g. athletic meetings. • All sports clubs free to pupils (funded by sports grant) • Move a mile – every Friday for the whole school. Daily for Year 6 children for Term 6 • Allocated TA's to support, organise and attend sports events. • Continued membership of the Sports Partnership and MSN Games Association to provide access to regular competitive sports events. • Use of external coaches for delivery of some aspects of PE curriculum • Specialist sports teacher used for delivery of at least 50% of the PE curriculum. • Use of motivational fitness websites e.g. Go Noodle, to ensure physical activity continues in school regardless of weather or suitable floor space. • Improving links with local schools to organise friendly matches and competitions. • Parent helpers to lead sports clubs / teams in areas of own interest. 					

2. Barriers to future attainment (including high ability)		
In-school barriers <i>(issues to be addressed in school)</i>		
A.	Low sign up rate for sports clubs in school. Low confidence of children in competitive sport.	
External barriers <i>(issues which also require action outside school, such as low attendance rates)</i>		
D.	Few pupils attend out of school sports clubs, either at all or for a sustained period of time.	
3. Desired outcomes		
	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	Increased sign up for school clubs	Sports clubs at school will be free for all children. Clubs will be full.
B.	Increased numbers of school to school tournaments	We will attend all tournaments and matches offered to us in a diverse range of sports. At least 75% of children in UKS2 to have taken part in competitive sport this academic year.
C.	Improve pupils awareness of how to keep fit	Pupils will be able to talk about their knowledge of how to stay fit and healthy. Pupils can talk about their personal fitness improvements as a result of Move-a-mile. REAL PE scheme

		being used by teacher to raise child's awareness of own physical ability.
D.	Improve the number and range of sports offered	All pupils will be able to talk about sports they are involved in in school. School to have provided a wide variety of sporting opportunities.

4. Planned expenditure					
Academic year	2017-18				
i. Quality of teaching for all – Increased confidence, knowledge and skills of all in teaching PE and sport					
Desired outcome	Chosen action / approach / Cost	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
All teaching staff to be able to deliver high quality PE lessons	New staff/staff who missed previous training to be trained in our chosen scheme, 'Real PE'	<p>The purchase of the REAL PE scheme has raised teacher confidence in delivering PE lessons.</p> <p>MG will deliver sessions for teachers to observe starting with Jane and Hana as NQTs. This will be CPD opportunities for staff to see REAL PE in action.</p>	<p>Lesson observations. Continued support in delivery of PE by PE coordinator.</p> <p>Feedback questionnaire/discussions with staff.</p>	KS	July 2019
Children to have experienced specialist coaching in KS1	Yogado	Yoga would work well along our work on Mindfulness and Growth mindsets. Yoga can help with specific conditions such as anxiety, depression, stage fright, low self-esteem and confidence issues. Children, young people and adults should start to feel the physical and mental health benefits of a YOGADOO class straight away.		KS	
Total budgeted cost					£2736+yoga

ii. The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school.					
Desired outcome	Chosen action/approach/ Cost	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
More active sport / games at lunchtimes	Outdoor play led by SMSAs and UKS2 play leaders. Equipment suggested by the children. Waiting to hear back on cost and will update.	As directed by national guidelines. We are looking for an improvement in the overall fitness of the children. Improved resilience when faced with physical challenge. Improved cooperation in game activities. If equipment is chosen by children, it should be better used.	Arrange with Dave/Beth for training to take place for more children. Talking to children, observations, meetings with play leaders to review.	KS	
Children to be able to confidently run / jog a mile .	Move-a-mile scheme No cost	Improvement in general fitness of children	Whole school approach – allocated timetable slot every week. Year 6 to run every day in the summer term 2. Implement the Golden Mile website to promote competition between the houses/classes.	KS	Term 6 2019
Physical activity to still take place during adverse weather	Go Noodle No cost	Sport activities can be limited in wet weather due to waterlogged pitch and playground surface.	Teachers to keep track of progress online – class activity recorded by website	KS	Term 6 2019
Good quality sport / PE kit available to children	Invest in up-to-date equipment Looking into cost and will update.	Children can only access high quality PE with high quality equipment. Football goal posts and netball posts to be replaced with sugar tax money so we will now look at investing in other sports equipment.	Review of current kit to take place and an order to be replaced.	KS	Term 6 2019
Total budgeted cost					£5000
iii. The profile of PE and sport being raised across the school as a tool for whole school improvement					
Desired outcome	Chosen action/approach/ Cost	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?

More dedicated staff actively involved in the promotion of PE and sport	Two TAs will help to run our sporting teams and attend events and will be assisted by other TAs who have interests in particular sports. £2500	Teams need to be well prepared for events so that they perform at their best. We've previously missed out on events as teachers haven't always been able to attend.	TAs given full sports calendar to prepare teams in advance, help organise lifts, kit etc.	KS, WL, SS, EC, JF	Term 6 2019
More active sport at lunchtimes	Young leaders and SMSA training. Costed above	Peer led activities have more scope for success.	Lunchtime observations	KS,NS	July 2019
Greater desire by children to represent the school and take pride in themselves	Skorts for girls Sweatshirts/Hoodies and/or jackets Waiting to hear back on cost and will update.	Our team kit was old and outdated and did not inspire the children. Continue to add to the new kit bought last year and make it desirable for the children.	New kit purchased in a full range of sizes.	KS/EC/SS	Term 6 2019
Bronze Schools Games Mark	Enter enough sports events and hold inter-house school competitions No cost	The award will be recognition of our desire to improve sport outcomes for children at St Nics. There is huge potential to expand the scope of the house system we already have in place.	Email Beth in January to arrange and meeting and discuss the paperwork. Beth will explain areas we need to work on. Ensure the paperwork is not left until the last minute and		
Total budgeted cost					£5000
iv. Broader experience of a range of sport and activities and increased participation in competitive sport					
Desired outcome	Chosen action/approach/ Cost	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
As many children as possible from Yr3 – Yr6 to take part in organised sports events and competitions.	MSN GA membership £27 BANES SSP membership £1600 – 2018-2019 TA sports team to attend events Transport provided for some sports events	Children are inexperienced at competitive sport as few take part in clubs outside of school. Children often turn up to competitions with low confidence/ experience.	This year we will take part in every single event offered to us in all year groups to ensure mass participation and to improve confidence as children move up through the school.	KS	July 2019

	where parents cannot take the children. Will update cost.				
Broader range of sports available to children	All after school sports clubs to be free to children (initially just for Terms 1 and 2). Specialist coaches and teaching staff to ensure a wide variety of sports are offered. Will update on cost. Groups of children to attend sessions at Mendip Snowsports Centre Waiting to hear back on cost and will update.	Traditionally free clubs have better uptake than those with a cost. Children to access sports they have not experienced before and, in addition, to ensure we cover the OAA element of the curriculum.	Percentages of pupils attending sports clubs is increased.	KS	July 2019
Children to be suitably coached before a tournament so we can perform to the best of our abilities.	Mark Gunning Costed above	Often we turn up to tournaments with a lack of training under our belts due to time constraints/children not attending clubs etc.	Monitor results in competition and compare to previous years.	KS, EC, SS, JF	July 2019
Total budgeted cost					£1627
Additional Costs Equipment					£4000
TOTAL					£18,363

5. Review of expenditure				
Previous Academic Year 2017-2018				
i. Quality of teaching for all				
Desired outcome	Chosen action/approach	Estimated impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned (and whether you will continue with this approach)	Cost
All teaching staff to be able to deliver high quality PE lessons	New staff to be trained in our chosen scheme, 'Real PE'	Medium: Training took place for some staff but not all. These members of staff are now confident to deliver the sessions.	Some teachers require more training as they missed previous training or are still lacking in confidence. Scheme needs further time to be embedded fully. Lessons can take longer than the plan suggests so staff need the confidence to adapt if necessary. Set up a laptop to use in hall for all REAL PE lessons.	£925
Children to have experienced specialist coaching in KS1	Rugbytots	Medium: Increased basic skills for Reception children. Ball skills but also social skills such as turn taking and waiting in a line, supporting our friends etc.	There were some issues with behaviour of certain challenging children. Teachers must ensure they are out supporting the coach with behaviour management so he can focus on the coaching instead.	£604 Term 1&2 £605 Term 3
Coaching for all KS2 classes in a new sport., teaching staff to learn from the coaches so they continue the sport and cascade training.	Contract 'Superstars' to deliver quality coaching in three sports – to include Tchoukball. One sport every big term up until Easter 2019	Medium: Children enjoyed learning a new sport especially Tchoukball. They were able to transfer skills from other sports (like netball, football etc) like finding a space, working as a team etc. Professional development for staff as they observed the sessions.	Superstars contract not continued	Staffing: £3869.11 Equip: £1500
More active sport / games at lunchtimes	Outdoor play led by SMSAs and UKS2 play leaders. Equipment suggested by the children.		KB/NS	£402.50 Equipment
Children to be able to confidently run / jog a mile .	Move-a-mile scheme	Medium: Improvement in some children's fitness but some children still not running, walking and not trying hard to improve.	Staff that are keen to model more E.g. EC, JMc, JM Working well so will continue this approach.	No cost

Physical activity to still take place during adverse weather	Go Noodle	High: Go noodle has worked well and most children respond well to it.	Does it work so well for upper KS2? Are they as engaged as children lower down the school? Working well so will continue.	No cost
Good quality sport / PE kit available to children	Invest in up-to-date equipment	Low: Not yet happened.	Equipment now to be bought from £3100 Sugar Tax money. An order will be placed asap.	£3500 – goals inc
More dedicated staff actively involved in the promotion of PE and sport	Two TAs will help to run our sporting teams and attend events and will be assisted by other TAs who have interests in particular sports.	High: This has worked incredibly well and has enabled us to be able to enter more competitions than in previous years. Nearly all Year 6 children (with the exception of 1 or 2 children) represented the school in a sports competition.	Working well so will continue.	£2500
Children motivated to exercise more frequently	Invite inspirational local runner 'Jim Gump' into school. Whole School running event.	High impact on the day. All children and staff enjoyed the session and were very enthusiastic.	Not sure whether there were any long term benefits?	No Cost
More active sport at lunchtimes	Young leaders and SMSA training.	High: Playground leaders were very enthusiastic and enjoyed their role.	Working well so will continue. KS to look in playground leader training for a larger group of children.	Costed above

Greater desire by children to represent the school and take pride in themselves	New football / sports kit in all sizes	High: New kit was purchased and the children looked smart and felt proud to wear it.	Continue to expand the sports kit next year to include sweatshirts, skorts and/or jackets?	£239.21
Bronze Schools Games Mark	Enter enough sports events and hold inter-house school competitions	Low: This did not happen and will be on the plan to be completed next year.	Time needs to be set aside to complete this before the end of the school year when everything is incredibly busy. Dave Burston has advised emailing Beth Jones in January who will talk KS through the procedure and set the wheels in motion.	No cost
As many children as possible from Yr3 – Yr6 to take part in organised sports events and competitions.	MSN GA membership BANES SSP membership TA sports team to attend events Transport provided for longer trips Identifying other extra-curricular events e.g @ Uni of Bath	High: Greater number of children took part in organised sports events and competitions and this included children who has previously not taken part or not been interested to take part.	Continue to encourage as many children to take part as possible whilst still ensuring we are competitive at sports events.	£27 £250 - 2017-2018 £1600 – 2018-2019 £615

Broader range of sports available to children	All after school sports clubs to be free to children. Specialist coaches and teaching staff to ensure a wide variety of sports are offered.	Medium – all clubs were free but sign up was still not as high as expected.	Continue to encourage as many children as possible to sign up, consider personal invites for some children.	Football: £1243 Tennis: £646.32
