Dear Parents/Carers,

I was very privileged to be able to join the Year 5 pupils on their trip to Eden this week. We were so lucky to have a bright sunny day which we all appreciated. The children were a delight to be showing exemplary behaviour. The group I was with spent the day saying how much their families would love it there! They loved learning about the plants and where our food comes from and I was very impressed by the knowledge they had. The children really enhance their learning through these visits. We very much appreciate your financial support that allows us to go on these trips in very difficult financial times. I was excited to be asked today to go with reception on their trip to Carymore and I will be joining the 73 pupils going to Young Voices at the O2 the first day back. All reminders of what a fabulous staff we have and why I love my job so much—it is always great fun to go on trips with the St Nicks pupils.

I look forward to seeing you at the many Easter events next week. Please be aware that seating at the church will be limited.

Best wishes,
Nicki

You Tube Warning

Parents please be aware that this week children are playing a game involving characters called 'huggy wuggy', 'killy willy' and 'kissy missy'. This was brought to our attention yesterday. After teachers spoke to their classes it appears that children from reception to year 2 are playing it. They are cartoons on YouTube, that involve 'sucking the life out of people'. Killy Willy is a character who was burned but his hatred of humans allowed him to survive, he was named Killy Willy after he slaughtered his toymakers! I am sure everyone would agree that this is not something the children should be viewing.

Our Values

Year 1 and 2 have been busy looking at symbols for different religions. Each class looked at the differences and the similarities between Judaism and Christianity. We had a selection of religious books and talked about how these are read to help us lead good lives and also help us when we are feeling worried or upset. Our value was trust. I wonder if your child can tell you the name of the books and candles we looked at during the lesson. Well done Year 1 and 2,
